

**WEM TRADING  
SARL**

WEM TRADING LTD  
The Right Store for Right Price

**When it comes to  
Geomembranes.  
We're leaders...**

## OUR PLATFORM

WEM TRADING SARL become one of the most reputed and skillful companies in geomembrane-geotextile-geosynthese laying and performance in Democratic Republic of Congo, Zambia and South Africa.

Our modern equipment including the last technology for our Welding machine, our extrusion machine and mostly our high voltage leakage testing machine allow us to work confidently in our team and always our customer is satisfied.

For some extreme weather or for any major cause of some day off, we always find solution and have a team motivated and ready to be organized for day shift and night shift team as seen on the next image, because of our main goal is to deliver the dam or the pond at time as expected by the project plan.

## OUR VISION

Our vision is to become the most admired company in automation and instrumentation sector in Democratic Republic of Congo, particularly , in Africa, due to the wide partners network, we deal with around the world (China, South Africa, Zambia,...)

## OUR VALUES

- Transparent, legal and ethical business practices,
- Facilitate the continuous improvement of technical skill and leadership in the people we work with
- Security (legal and business) of our employees and our customers
- Maintaining a clean and green environment

## WHY CHOOSE US?

We already have the trust of some companies in the region because thanks to our extensive network of suppliers around the world, we always deliver orders and services on time.

## OUR MISSION

is to grow 30% year on year , using the world's best technologies in certified items and services offered to customers

## BRANDS

WEM TRADING S.A.R.L. is Authorized Distributor of the following brands :  
**GUOMAO, HANQI, HOLDEE**  
**ELECTRIC, HUADONG CABLE,**

## ELECTRICITY

We supply mainly the following items :

- LV, MV & HV Cables
- Dry & Oil Transformers
- VSD & VFD
- Load centers
- Industrial Control boxes
- Electric motors
- Poles & steel power
- Breakers & Softstarters
- Industrial fans
- Industrial heaters
- Industrial plug & socket
- Electrical cable lugs
- Industrial lights
- Contactors
- Solar systems

## HPDE WELDING

We supply and perform a wide range of HDPE items including:

- Geomembranes
- Geotextiles
- Geosynthese
- HDPE Pipe
- HDPE couplings
- HDPE Welding machine
- HDPE rods
- Plastics valves
- Geomembrane repairs
- Tailing dam construction

## MECHANICAL

We do repair and supply the following :

- Pumps and valves
- Turbines & generators
- Piping systems
- Steel sheets
- Steel bars
- Steel angles and rods
- Wire mesh
- Bearings
- Cable trays

**+243994966417**

## INSTRUMENTATION

We do supply a instruments tested including transmitters, sensors, analyzers, detectors, recorders and control elements. Common equipment supplied in these fields are Communicators, data logger/analyzers, digital and analog chart recorders, gas monitors, temperature calibrators, and cable fault finders/tracers.

## Our design office

Our design office, made up of experienced engineers, is open to help you in the design and study of your projects for good profitability

## RFQ Management

Our team is always ready to provide you with quotes from the best bidders through our extensive network of reliable suppliers across the world.

## Engineering Dept.

Our team of electrical, engineers are ready to carry out your projects with strict respect for the safety of you and your agents.
